

## Didactics Seminar: Interactive Teaching

with

**Stefanie Reinhardt**

Center for Didactics, University of Passau

**Prof. Dr. Bernhard Stahl**

Chair of International Politics, University of Passau

## 19 April 2014

Saturday, 10h00 to 16h30 (salle: Hassan Hosni Abdel Waheb)

Faculté des Lettres, des Arts et des Humanités Université de la Manouba

This workshop addresses young academics and advanced students who are about to teach themselves at the university or have already teaching experience. Participation is for free and will be certified. It is on invitation only.

---

“Tunisia in Transition” (TiT) is a German-Tunisian research project which also offers training in research and teaching methods for young academics. It is supported by the DAAD with funds from the German Foreign Office.
